

BANNER ADVERTISING

The Borza Recreation Center Corp. would like to offer you the opportunity to advertise your business in their sports facility which is located at 45 Seymour Lane, Westmorland, NY.

This facility provides athletes in the Central New York area a place to practice and improve their skills. It accommodates sport theme camps and clinics.

A full service concession stand, user-friendly scoreboard, a complete sound system throughout, along with a wireless microphone for introductions and broadcasting games is accessible to provide any league, the assurance that their tournament at this facility will be a thrilling and memorable event for each of the players and spectators.

The cages offer an individual or coaches and their teams a place to practice hitting and pitching. Each cage is equipped with a JUGS Combination Pitching Machine which throws baseballs, softballs, and tennis balls. These pitching machines have a quick and easy speed adjustment that throws from 20-104 mph and have a full range of movement to adjust for all types of pitches, including fastballs, curves and sliders. That means the hitters see every pitch thrown from a realistic release point. Also, this facility gives the coaches an ideal place for their pre-season and (or) post season team gatherings.

For the more serious athlete the Center provides one on one skill improvement lessons with some of Central New York's finest athletes and coaches.

In addition the Borza Recreation Center offers the Central NY area a FUN place providing a safe and friendly environment to host birthday parties; reunions, company picnics, fund raising and other social events.

We are presenting you with the opportunity to display a personalized banner in a prominent location in the facility and have your banner displayed on the Borza Recreation Center's web-site www.borzareccenter.com
